Full Service Provider

We have several service lines, which can be custom tailored to your needs and ensure your personnel goals are met.

Direct Hire: We recognize the critical importance of finding the right individual for every permanent position within your company. Our Direct Hire program is designed to make the process as efficient and productive as possible.

Temp-to-Hire: Also known as our "Lease with an Option to Buy" program, this is ideal for those situations in which certainty is imperative before you commit to a permanent placement. Our Temp-to-Hire program allows both you and your prospective employee an opportunity to evaluate each other before making a long-term commitment.

Temporary/Consultants:

Whether it's for a few hours, a day, a week, or longer, our pre-qualified workers/consultants are ready to step in and be of assistance. This program is ideal for your special projects or to cover vacations, maternity leaves, illnesses, and vacancies.

Technical: Prosperitus was created to fulfill the increasing demands for high-end technical placements. We consistently place exceptional candidates in a variety of industries, including, manufacturing, engineering, aerospace, and biomedical.

Light Industrial: At some point, most companies require the hard work of a skilled or unskilled laborer. Our Light Industrial division is ready to assist you with our roster of great candidates.
